

**Brookhaven Science Associates
Science & Technology Steering Committee
2011**

Dr. Barbara A. Baird
Dept. of Chemistry & Chemical Biology
Cornell University

Dr. Karen Berman
Chief, Section on Integrative
Neuroimaging
National Institutes of Health, NIMH
Intramural Research Program

Dr. Louis Brus
Department of Chemistry
Columbia University

Dr. Jonathan Cohen
Psychology Department
Princeton University

Dr. Gary Feldman
Frank B. Baird, Jr. Professor of Science
FAS Physics Department
Harvard University

Dr. Benjamin Hsiao
Chemistry Department
Stony Brook University

Dr. Richard Milner
Department of Physics
Massachusetts Institute of Technology

Dr. Peter B. Moore
Department of Chemistry
Yale University

Dr. Michael Rubner
Department of Materials Science & Eng.
Massachusetts Institute of Technology

Dr. David Rubin
Department of Physics
Cornell University

Dr. Martin Schoonen
Department of Geosciences and
Sustainability Studies
Stony Brook University

Dr. Frans Spaepen
Div. of Engineering & Applied Science
Harvard University

Dr. John Wettlaufer
A.M. Bateman Professor of Geophysics
and Physics
Professor of Applied Mathematics
Yale University

Dr. Ali Yazdani
Department of Physics
Princeton University

Dr. Thomas Zacharia
Deputy for Science & Technology
Oak Ridge National Laboratory

Prof. William Zajc
Department of Physics
Columbia University
